

OUR VISION

Health for You –
Health for All

OUR MISSION

To provide excellent patient-centred care and invest in the healthcare practitioners of tomorrow.

OUR STRATEGIC PRIORITIES FOR 2017 - 2021

- **Demonstrate excellence and forward-thinking in delivering programs and services to support improved population health**
- **Improve communication and engagement across the organization**
- **Demonstrate excellence in teaching & scholarship**
- **Foster best practices aimed at improving access & continuity of care for patients**

OUR VALUES

EQUITY

We strive to treat our patients, team members and partners with mutual respect and sensitivity. We embrace cultural diversity and inclusiveness and recognize the importance of supporting equity.

INTEGRITY

We will act honestly and with integrity to deliver our very best in all we do. We hold ourselves accountable for results without compromise.

COLLABORATION

We foster a positive and collaborative team environment where mutual cooperation, effort and enthusiasm supports organizational success and personal and professional growth.

EXCELLENCE

Through continuous quality improvement we strive for excellence and in all we do. We remain dedicated to creating a culture of life-long learning, where everyone teaches and everyone learns in order meet the needs of patients, staff and providers.

EMPATHY

We are dedicated to providing meaningful services and programs focused on the needs of our patients and community. We will advocate with and for patients in order to support their physical health and mental well-being as well as to address the social determinants of health.

RESPECT is embedded in each value.
